Which Paint Costs Less?

NOTE how the best paint spreads easier and covers more square yards than cheap paint does.

Figure in the extra gallons of cheap paint that you must buy and the extra cost of application.

It means that cheap paint costs just as much as good paint on the house.

The best paint then gives five or more years' protection to your property investment. Cheap paint on the average, starts cracking in twelve months. Which paint costs less?

72 Years' Experience

The house paints we specify for your home are the result of 72 years' experience in making paints and varnishes for every purpose. Made to stand the peculiarities of western weather.

The best material—**PIONEER WHITE LEAD**, pure linseed oil, zinc and color—are combined with long-time skill, in scientifically exact proportions.

Our white lead base must pass through a silk screen with 40,000 meshes to the square inch. A patented purifier makes it "whiter," so Fuller paints are exceptionally clear-toned. The paint when finished and applied on the house is a beautiful, elastic, tough, protective coating.

Such paint costs but a trifle more to buy per gallon and is five to ten times more economical in service.

Don't allow surfaces to rot. It costs less to paint them.

NYSSA HIGH WINS BY NARROW SCORE OF 4-5

Newbill Holds Locals Helpless For Six Innings—Errors Responsible For Locals Defeat In Early Innings

By a score of 5 to 4 the Nyssa High School baseball team defeated the Ontario high ball tossers last Friday afternoon. It was one of the best exhibitions of the national pastime dished up for the local fans in many a day.

The feature of the game was the pitching of Charlie Newbill for the visitors during the first six innings. During those cantos he let the locals down with one lone single, that by Carroll Lacey in the sixth. However he let down in the seventh and eighth when he was nicked for five more hits which resulted in four runs and all but tied the scores.

Nyssa hopped off to a nice lead and put the game on ice in the early frames, getting two in the first, one in the third and two in the fifth. That ended the Nyssa scoring. All of these were secured with Jack Sullivan on the mound for the locals but cannot be charged to Sullivan's twirling, for he was given ragged support in pinches. Errors by Mitch Moore on third and one by Lacey at short and the fact that every Nyssa runner who reached first was permitted to go to second aided materially in running up the total score.

The Nyssa team was supremely confident of winning and played accordingly. They demonstrated good sportsmanship in the ninth when Mitch Moore connected with one of Newbill's fast ones for a two bagger which he tried to stretch into a triple and was beaten to third by the ball. He was called safe, tho most of the crowd thought he was out. The umpire was in a position where he could not determine whether or not the baseman tagged the runner. Anyway, Nyssa played on just the same and Newbill pitched himself out of the hole and took the game with him.

Mitch Moore who pitched the last three innings for Ontario held Nyssa safe all the way and was one of the few Ontario men who could connect with Newbill's offerings. Lacey for Ontario got two hits off Newbill. Dr. C. M. Tyler and Jack Hamman umpired the game. A large number of the Vale high school students were present, and though this will be hard for some of our readers to believe, yet it is true, they rooted for Ontario.

The Fruitgrowers Association of Fruitland gave this Wednesday evening a most delightful luncheon when their annual meeting was held. Information has been received that the 1922 class of the U. S. Naval Academy, of which Mr. Clark H. Lewis is a member, will be graduated in December 1921 instead of June, 1922. Consequently, the 1922 class will not participate in the usual summer cruise which this year goes into European waters but instead the members will remain at Annapolis to finish the last year's work in the required time.

Communion services will be held Friday evening at the Brethren Church at 7 o'clock. Rev. and Mrs. Austin are visiting among friends in and around Fruitland and on Saturday will go to Nampa to conduct a series of meetings.

About 35 attended the silver tea Thursday afternoon at the home of Mrs. William Homan. Delicious ice cream and cake were served.

Rev. Wood of Boise is here this week looking after the Baptist church affairs.

Monday evening, May 9, in the high school auditorium at Fruitland will be held a farm bureau meeting to which all farmers are urged to attend. Mr. Ross, State Secretary, will be present to discuss the plans for the coming year. Mr. Pren Moore, a state man, will be here to tell you what was done at the state meeting to form an organization among poultrymen, members of the Farm Bureau, to market poultry and those who expect to have eggs or chicks for the coming year will be especially interested in this meeting for stress will be laid on the better marketing of poultry and its products. There are many in here who are interested in poultry and if you are you cannot afford to miss this meeting. Mr. Harry Lewis is Chairman of Payette County Poultrymen.

Hubert Kutch has gone to Medford, Oregon.

S. E. Conatser and children went to Boise to see the son, Fowler, who has been seriously ill in St. Alphonsa's Hospital. They are hopeful for his recovery, though it is very slow.

REMEMBER to ask your grocer for Calumet Baking Powder and be sure that you get it—the Indian head on the orange label.

Then forget about bake day failures. For you will never have any. Calumet always produces the sweetest and most palatable foods.

And now remember, you always use less than most other brands because it possesses greater leavening strength.

Now Remember—Always Use

CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Contains only such ingredients as have been officially approved by U. S. Food Authorities, is the product of the largest, most modern and sanitary Baking Powder Factories in existence.

Found can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Columbia Muffin Recipe
—4 cups sifted flour, 4 level teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups of sweet milk. Then mix in the regular way.

Friday, April 29, saw the close of the school year here and teacher and pupils celebrated the occasion by a picnic at the Red Rocks, where all enjoyed themselves before starting on the picnic. The prizes offered several months ago by the teacher for the pupils showing the most improvement in their school work, were presented; Mervin Dickerson won the first prize while Vera and Earnest Galloway shared the second prize.

The foliage mite can be controlled by lime-sulphur sprays as applied in early season for other troubles. Also by sulphur dust. It is reasonable to assume that sulfur in any form that is safe for the tree will check this mite, which often causes the leaf to be under-sized and contracted. On pears the leaves turn brown and leathery. The foliage later tends to turn back and drop.

Last Tuesday evening about 33 went from Fruitland to Payette to attend the Pep meeting of the Epworth League Rally. This was an unusually good meeting for young people and the societies each vied with the other as to the amount of enthusiasm they could display. Large delegations of Emmett and other surrounding towns made up a large audience. Arrangements were made to hold an Epworth League Institute at Payette Lakes the coming summer and many of our young people are going to attend. Mrs. H. G. Gardner, with some of her Junior pupils presented a much enjoyed program.

A large crowd autoed down from Weiser Sunday evening to attend the services at the Brethren Church.

Harry Burnett is suffering from a severe attack of inflammatory rheumatism. Dr. Vernon Holt, of Payette is attending him. His mother Mrs. Mary Burnett was called down from Weiser to nurse him.

Miss Ruth Wealdon will graduate May 24th from the Deaconess Hospital at Spokane, Washington. She will remain a while on duty.

E. J. Johnson, accompanied by Virgil Lemmon has gone by auto to Rockaway Beach to reside permanently. Mrs. Johnson will go by train. Mr. Johnson has sold his bees and rented his ranch.

Rev. and Mrs. Austin were guests Tuesday evening to dinner at the Walter Gorham home.

A big community dinner as held Sunday at the home of Mr. and Mrs. Earl Hurd in Whitley Bottom. Thirty three were present. The dinner was in honor of the birthday anniversaries of Mr. Hurd, which was on Sunday. Mrs. Tom Harris' birthday on Friday and Tom Harris' anniversary on Saturday.

Newton Meade has sold his garage in Fruitland to Roland & McCarty of Caldwell who will assume charge at once.

BULLY CREEK NEWS

Miss Rose Jensen returned last week from Portland, where she has been attending school.

The farmers about here are now busily engaged in irrigating and report good prospects of a bumper crop this fall.

Miss Dorce Dearborn, who has been teaching the Bully Creek School during the past year, left Saturday for her home in Ontario.
